(see separate instruction if you are intending to email your entry).

The title of the folder should be 'Your Membership Number (space or hyphen) the Competition (space or hyphen) D or P' (P=prints, D=DPI). We need a separate folder for DPIs and for Prints.

As an example, my print entry folder for the 1st Clubman entry, would read; - '277 1st Clubman P'

The Folders should be on a memory stick, or disc.

Emailed Entries; If you choose to email the images (it is not possible to email folders) please put your membership number, the competition and P or D (P=prints, D=digital) in the subject bar. Then attach your images, but always send Digital copies of your print entry and your Digital entry separately.

All Images submitted to competitions must have been photographed by the entrant. Third party processing is allowed but any manipulation of images must be the work of the author.

An image can only be entered into a competition once, but the same image may be entered into one Clubman competition, one Annual, one Maurice Biglin Flora competition, one Triptych competition and one Monthly on line competition.

Identical digital images and prints shall be considered to be the same image, unless substantially modified.

Members shall at all times have control over the use of their property. Copies of images may be used on the Club website and in YPU or Inter-Club competitions. Members must inform the competition secretary if they do not want their images used in this way.
