

7. The Monthly On-Line Competition 2017

Each member may submit one (1) jpeg image each month. This will be done by using the upload facility on the Online Competition Entry page of the website

<http://wakefieldcameraclub.org.uk/competitions/the-on-line-monthly-competition/on-line-competiton>

and following the instructions on that page. If, for any reason, that method fails and a member cannot do that then they may enter their image by emailing it to the webmaster, at any time from the 1st to the 20th of each month. The email subject will contain the member's club number and the words monthly competition entry, month \$\$\$\$ (that being the name of the month). The jpeg description will be the title of the image (it will not identify the author by name or number). The image will be posted on a Monthly Competition Page on our web site, from the 22nd of the month (or as soon as practical). Each competition will be themed and a 1st, 2nd and 3rd selected by the judge at the end of the month. Individual marks will not be given. The December competition will be restricted to only those images that have been placed in the other monthly competitions that year and a Medal (or other suitable permanent memento) will be awarded to the winner of that competition. An external judge will be appointed to select 1st, 2nd and 3rd from the December competition.

A theme will be selected in advance by the members for each monthly competition (not December). A different experienced club member will be asked to judge the competition each month (they may not enter the month they are judging).

Only **paid up** members are eligible for entry to the competition.

All Images submitted to any of the Club's competitions must have been photographed by the entrant. Third party processing is allowed but any manipulation of images must be the work of the author.

An image can only be entered into a competition once, but the same image may be entered into one Clubman competition, one Annual, one Maurice Biglin Flora competition and one Monthly on line competition.

Identical digital images and prints shall be considered to be the same image, unless substantially modified.

Competition rules and any amendments will be published on the clubs web site.
