

These are links to all the websites, and more, that Nick spoke about on his 'Click, Click, Click' evening. There is plenty here to get your inspirational juices flowing but don't forget that your favourite search engine is definitely your friend.

Members Sites	
www.faceonimages.co.uk	Les Forrester's award winning site
www.johngardnerphotography.com	John Gardner's business site. Be sure to have a look at his blog
Local Sites	
normantoncameraclub.dreamhosters.com	A nice interface with some good images
www.pontefractcc.co.uk	Large gallery and useful software download section
bradfordphoto.org.uk	A good club website maintained by a friend of mine
Photo Sharing Sites	
www.ephotozine.com	One of the best and used by lots of WCC members
www.flickr.com	Very popular with anyone who owns a camera
www.pbase.com	Looks to have some nice stuff
photobucket.com	Some good images as well as lots of 'lighter' stuff
Stock Photo Sites	
www.magnumphotos.com	Mainly reportage type photographs
www.gettyimages.co.uk	Images on just about every subject there is
www.nationalgeographic.com	Nature at its best and more
www.alamy.com	Over 18 million images and a good search tool
Themed Sites	
www.yorkshire-monochrome.org.uk	Our local monochrome club
www.monochromephotography.com	Great images by Peter Hogan
www.tonyhowell.co.uk	Mostly photos of 'the natural world'
www.darrenheath.com	Sports photography, especially motor racing
www.krijtenberg.nl	Fashion and portrait photography
www.jpotter-landscape-photographer.com	Mainly UK landscapes
Tutorial Sites	
www.ephotozine.com	Lots of text and video based technique guides
www.gavtrain.com	An actual celebrity (from Digital Photo magazine). Check out his blog for the free stuff

www.photoradar.com	Photos and reviews as well as tutorials
www.photoinf.com	Lots of stuff on composition
www.cambridgeincolour.com	Tutorials and a forum as well as photos of Cambridge
www.northlight-images.co.uk	Plenty of tutorials, reviews and articles
Other Sites	
www.ononesoftware.com	Go to 'downloads' and scroll down a bit for free stuff
www.eos-magazine.com	Online magazine for Canon users
www.vam.ac.uk	The Victoria & Albert Museum. Click on 'Collections' and scroll down to Photographs
www.cameralabs.com	Lots of equipment reviews
lensbuyersguide.com	Help with choosing that lens
www.lenstip.com	More lens reviews with user opinions
www.steves-digicams.com	My favourite camera (and more) review site
www.southamptoncameraclub.co.uk	Click on 'Exhibition' then on the Earth. Watch the exhibition slide show
www.gimp.org	GIMP (Gnu Image Manipulation Program) is really good and completely free. There are lots of tutorials out there if you look. If you like 'free', try Open Office instead of Microsoft Office.
"Inspiration is just a 'click, click, click' away" - Nick Holowka
