

8. The Monthly On-Line Competition

Each member may submit one (1) themed jpeg image each month by following the instructions on the Online Competition Entry page of the club website which is found at

<http://wakefieldcameraclub.org.uk/competitions/the-on-line-monthly-competition/on-line-competition>

The monthly Online Competition closes at midnight on the 20th of each month. If, for any reason, a member is unable to directly upload their entry then they may enter their image by emailing it to the Webmaster, at any time between the 1st to the 20th of each month. The email subject must contain the member's club number, the words 'Monthly Competition Entry' and the month. For example, "999 Monthly Competition Entry December".

The jpeg description will be the title of the image (it will not identify the author by name or number). The image will be posted on the Monthly Competition Page on the club website, after the 20th of the month. Each competition will be themed and a 1st, 2nd and 3rd selected by the judge. Individual marks will not be given. The December competition will be restricted to only those images that have been placed in the other monthly competitions that year and a Glass trophy (or other suitable permanent memento) will be awarded to the winner of that competition. An external judge will be appointed to select 1st, 2nd and 3rd from the December competition.

The themes for each month's competition will be selected in advance by the members and posted on the Online Competition page of the club website.

A different experienced club member will judge the competition each month (they may not enter the month they are judging.)

Only **paid up** members are eligible for entry to the competition.

All Images submitted to any of the Club's competitions must have been photographed by the entrant. Any manipulation of images must be the work of the author.

An image can only be entered into this competition once, but the same image may be entered into one Clubman competition, one Annual, one Maurice Biglin Wildflower competition and one Monthly on line competition.

Identical digital images and prints shall be considered to be the same image, unless substantially modified.

Competition rules and any amendments will be published on the clubs web site.
